December From Latin decem ("ten"); + Latin -ber, It used to be the 10th month before January & February were added by Paganists.

But it is really God's 9th Month just called 9th month by God, pagan name Kislev, and God's 10th month just called 10th month, pagan name Tevet. 5783 but really is +207 years=5990/2022.

This calendar is NOT an averaging calendar. If you believe that Christ used an Averaging Calendar, then you do NOT have salvation, because you cannot add "ANYTHING" to God's Bible Deut 12:32.

Because then Christ broke His Father's Law and added an averaging calendar, and therefore was NOT and could not be a valid unblemished sacrifice for us.

This Calendar portrays the "EXACT" Holy Day, as no minister/person has the right to average/re-set God's "SET" APPOINTED HOLY Time! www.SchoolOfElijah.org God called it 1st Day GOD called it 2ndDay GOD called it 3rd Day GOD calls it Sabbath Day GOD called it 4th Day GOD called it 5th Day GOD called it 6th Day **Sun** god day **Moon** god day Twi/Mars god day **Sat**urn god day Wooden/Mercury god day **Thor**/Jupiter god day Frig/Venus god day 1 9th Month 6 3 REST 7th Day Sabbath No work selling buying = No Restaurants Sundown Holy Rest Time Ends at Sundown 5 6 7 8 4 9 10 11 12 13 9 14 10 REST 15 7th Day Sabbath No work selling buying = No Restaurants Sundown Holy Rest Time Ends at Sundown 12 13 14 **15** 11 18 16 16 17 19 20 21 REST 17 22 7th Day Sabbath No work selling buying =No Restaurants Sundown Holy Rest Time Ends at Sundown 18 19 20 25 21 22 23 23 26 27 28 24 REST 24 29 7th Day Sabbath No work selling buying =No Restaurants Rest New Month Day Sundown Holy Rest Time 25 God's 10th Month 1 28 29 **26** 10th Month 2 **27** 10th month 3 5 30 4 6 REST 31 NEW MONTH DAY 7th Day Sabbath Ez 46:3 Worship Isaiah 66:23 No work selling buying * Started evening before =No Restaurants Ends at Sundown Sundown Holy Rest Time Ends at Sundown
