This Calendar portrays the "EXACT" Holy Day, as no minister/person has the right to average/re-set God's "SET" HOLY Times!

The "latest" the 7 year Tribulation starts= spring of 2023, but could be sooner because days "WILL BE" cut short see Matthew 24:22. The WORST 3 ½ years of "GREAT" Tribulation could start in the fall of 2026. Therefore the minimum start of the "7" Years of Tribulation IS: As soon as they declare a 7 year Peace Treaty in Israel which **could be in 1 year** or 2 years. You "WILL" know via the start of the Daily Sacrifice. [www.ForTheNations.com](http://www.ForTheNations.com) **The 7 year Tribulation/Peace Treaty/Daily Sacrifice could start in spring= circa April 2023.**

Your time is short now. For **that is just 20 months from now.** And the USA could be **invaded circa 2024. Repent.**

**October 2021=7<sup>th</sup> month & Bul** (pagan names Tishrei & Chesvan) 5782. 5782+circa 210 year "deliberate" error to hide Messiah's 1<sup>st</sup> Arrival= now **5992.**

The latest Yahushua Returns= 2030. = **just 8 1/4 years.** Write in the boxes your "TO DO" goals for each day, as that is **MORE EFFECTIVE than just a list.**

# IF you believe what God states in His Bible: “Then” **you will have to FLEE** **TO THE MOUNTAINS.**

Christians who fled from “out of” the cities were physically spared death. RE Example: That the believers obeyed the warnings, they fled Jerusalem to town of Pella, and thus saved themselves physically from death and/or from torture/beheading Rev 20:6.

So get out of your city now and move into the mountains, outside of any INCORPORATED City, outside of any little small town, and into the woods where the land is NOT owned by a city that is Incorporated because of City’s oppressive RULES, and do NOT move beside any neighbors even in the woods, who can later monitor you and steal food from you and kill you in the process.

Get a place on a hillside in the woods, away from any neighbours. Because when the neighbours are starving to death, and their children are starving to death, they WILL kill you for your food, so that they can feed “their” children.

So you MUST get away from everyone.

And just drive to the city when you want to.

The less neighbours you have, the best chance you have of surviving the coming FAMINE.

The early Christian scholar Eusebius wrote:

“The whole body, however, of the church at Jerusalem, having been commanded by a divine revelation, given to men of approved piety there before the war, removed from the city, and dwelt at a certain town beyond the Jordan, called Pella.”<sup>3</sup>

Epiphanes also attested to the Christian escape, according to Bible scholar Adam Clarke. The latter wrote: “It is very remarkable that not a single Christian perished in the destruction of Jerusalem, though there were many there when Cestius Gallus invested the city; and, had he persevered in the siege, he would soon have rendered himself master of it; but, when he unexpectedly and unaccountably raised the siege,

the Christians took that opportunity to escape. ...

“[As] Vespasian was approaching with his army, all who believed in Christ left Jerusalem and fled to Pella, and other places beyond the river Jordan; and so they all marvellously escaped **the general shipwreck of their country**: not one of them perished.”<sup>4</sup>

Pella must **not** have been the **only** destination of fleeing Christians, but it was the most prominent at the time. The flight to Pella took place in A.D. 66 [and use that wisdom today to head for the Smokey Mountains 4 years **BEFORE the USA Falls**] during the attack by Gallus. Four years later came the fall of Jerusalem. Titus laid siege to the capital, and his battering rams broke down the great walls. The Jews [who had stayed behind in Jerusalem], who were already suffering from plunder, murder, pestilence, and famine among themselves [their neighbours next door on their street in Jerusalem], were easy prey for the fire and swords of the Tenth Roman Legion.

The Master's chilling words concerning the fate of the temple in Jerusalem were completely fulfilled: "Seest thou these great buildings? there shall not be left one stone upon another, that shall not be thrown down." [Mark 13:2](#). The building the Lord called "my house" [Matt. 21:13](#) had stood on "immense foundations of solid blocks of white marble covered with gold." Some of the blocks were 67 1/2 feet long by 9 feet thick. The temple towered 100 feet into the air, fronted by two immense columns. The imposing structure was laid waste, with no part of the building left intact. [Not even the foundation was left intact. What you see today as the "Wailing Wall" at the Temple Mount in Jerusalem are NOT NOT NOT the Temple's foundation stones, but are the stones of the Roman Fort AntonioThe **Antonia Fortress** [Aramaic](#): קצטרא דאנטוניה . The Temple was across from Fort Antonio.]

Jesus had given adequate warning, and those who heeded the prophecies [moved out of the cities 4 years before 70 A.D.] survived, while most others perished. Pella continued as an important Christian center for more than seventy years, during the time that Jerusalem remained desolate. Extensive ruins of Pella lie near the modern village Tabaqat Fahl in the northern foothills of the Jordan Valley—perhaps the "mountains" Jesus referred to—fifty-three miles north of Amman and two and a half miles east of the Jordan River.

**Why is the flight to Pella important to us in the last dispensation?** The prophecies of Jesus concerning Jerusalem and the temple are not a lesson of the past only. In this case, history presents **a type of what will happen again**. The Lord told us that the signs that preceded the destruction of Jerusalem and the temple shall occur again, including the abomination of desolation. ... Our warning signals include hearing of "wars, and rumors of wars" and the "elect [being] gathered from the four quarters of the earth. ...

"Nation shall rise against nation, and kingdom against kingdom; there shall be famines, and pestilences [Covid-19], and earthquakes. ...

“Iniquity shall abound [people will start robbing and abusing their neighbours], the love of men shall wax cold. ...

The Christians who fled 4 years “before” to Pella “and other places beyond,” such as Antioch and, later, Ephesus, were saved. Would we have been among them? [*Or will you sit in your city in your home for the next 4 years, waiting to be slaughtered, and never will see Christ return, because you are killed/DEAD at the hand of your neighbour who wants your food in your present CROWDED city.*] Therefore the only solution is: Flee to the hills.

FLEE/move to live in Townsend, TN., next to nearly ½ MILLION empty Acres of the Smokey Mountains “uninhabited” Park. Zephaniah 2:1> WYC Come ye together, be [ye] gathered. Zephaniah 2:1, NASB 2:1-3 Gather yourselves together, yes, join together, Gather yourselves together, yes, gather together, O undesirable nation, NKJV 2:3> Before the decree is issued, KJV> KJV

Gather yourselves together, yea, gather together, O nation not desired.

*Editor’s Note:* God commands “Gather together” TWICE. God REPEATS Himself “TWICE”, which means this is VERY IMPORTANT TO DO!
